#### **8. Legal affairs**

##### Councillor Stephen Lloyd:

There was a major change in the law of “enclave” which affects Barkmere. A case at Lac Tremblant Nord in 2007 declared a few persons were “enclavé” because they could not access their cottage all year long and because they have access by boat only. Because of that situation, they can build a road access and force their neighbours to give them a right of way.

This week, the Court of Appeal overturned this decision. There were procedural mistakes because the judge did not let all implicated people make representations. In this new decision, a judge wrote about fifteen pages on the subject of enclave. The conclusion was that if you have only access by boat at your cottage you cannot automatically force your neighbour to give you an access.

#### **9. R.C.M. and governmental affairs**

##### **9.1 Mayor’s report**

###### *a) Discussion about next budget of the RCM:*

Our quota will increase by just over 8% for next year.

The numbers of our contribution to the RIDR and collection project will increase by 40% next year given the tonnage we generated this year.

We will seriously consider the collection by barge for next year.

###### *b) Negotiation with the union of the RCM:*

The negotiation is not going very well. Currently, this will probably be in arbitration.

###### *c) Increased the number of meeting for the Mayors Council:*

There will be 12 Mayors Meetings for the next year instead of 7 meetings.

###### *d) Report on the regionalization of fire services:*

They prepared a financial plan and formed a committee to work on a plan.

###### *e) Creation of emergency fund in case of environmental accident in ecocentres.*

###### *f) Taxes on gasoline to finance public transport:*

The Town of Mont-Tremblant and Barkmere were opposed to this. They do not see why people will have to pay other tax; it will penalize local people and businesses. Most Mayors around the table agreed with that vision.

###### *g) Lac Tremblant Nord wants a fair share of the rural pact.*

**10. End of Session**

The next regular Council session shall be held on December 13<sup>th</sup>, 2014, at 10:30 AM, in the Community Center at Barkmere, Quebec.
