

## **Electronic Fund Transfer by Internet**

*(en français au verso)*

It is possible to pay your tax invoice on the Internet. This service is available at these financial institutions: National Bank, Royal Bank, Bank of Montreal, CIBC, Desjardins.

- 1) In the list of suppliers, search for: TOWN OF BARKMERE.
- 2) For the reference number, enter the **Registration Number** appearing on the tax invoice, **without** the dashes, but with **all zeroes** (13 digits in all).
- 3) Do not forget to pay **all** the amounts indicated at the bottom of the invoice, at **the due date** of the installments, to avoid cumulating interest charges.

## **Payment via International Fund Transfer**

For our taxpayers from outside of Canada, it is now possible to pay your tax invoice via an International Fund Transfer. The transfer must be made in Canadian Dollars (CAD). Any transfer fee deducted from the payment by the financial institutions will be added to the account of the taxpayer.
